In one of the most valued mountains of the Hondón valley (La Solana area), we offer these plots of at least 10,000 m², with water included and electricity point in process, prices starting from 55.000 €

In the images you can see the housing model that can be built on one of the plots already sold, always considering the preferences and requirements of the client.

The area of Vinalopó Medio is made up of different valleys.

The Valley of the Grapes (Valle de las Uvas) is one of the most important ones and it is formed by towns like Aspe, Novelda, Monforte del Cid, Hondón de las Nieves or La Romana, which are no longer than 15 km.

Hondón de las Nieves is a small and quiet town. It is surrounded by mountains and offers a beautiful and traditional view of the Spanish countryside.

Hondón is very well communicated with the main cities of the province, such as Alicante, Elda or Elche.

It is only 30 km from the Alicante Airport or the beautiful beaches of the Costa Blanca. It is the perfect area to live the whole year or maybe to get a holiday home. All facilities as medical centre, shops, bars and restaurants available.
