Altea is synonymous with luxury living and is home to some of the most sought-after residential areas on the Costa Blanca.

Favoured by the rich and famous, the town offers fantastic locations and facilities for yachting, golf and water sports enthusiasts.

The seafront boulevard offers endless dining options and an abundance of luxury boutiques to browse.

The picturesque town, with its blue domed church and glorious beaches, is a hotspot for sophisticated travellers and artists, as it has retained its beauty and elegance unlike its neighbours.

With the exclusive Greenwich Sports Marina just a few minutes' walk below the development, this prime location is a true paradise for boating enthusiasts.
