Inside, you'll find 2 comfortable bedrooms and 2 stylish bathrooms. The apartment, with nearly 71 m² of living space, is cleverly laid out and equipped with modern comforts, including air conditioning with an Airzone system – allowing you to adjust the climate in each room individually.

The bright living room connects directly to the open kitchen and the sunny 21 m² balcony. But the real wow-factor awaits upstairs, on the spacious solarium of almost 80 m². Here, you can fully unwind – with sunshine, privacy, and your very own jacuzzi under the pergola. The two pergolas with side panels provide both shade and ambiance – all year round.

The apartment is offered partly furnished, with stylish interior furniture, various accessories, and many practical items included.

The complex itself offers extra comfort and luxury: residents have access to a communal swimming pool, a fitness room and a relaxing sauna. Everything you need to enjoy peace, exercise and convenience all year round – right at your fingertips.
