This unique development opportunity lies in the heart of San Pedro del Pinatar. The property offers significant potential

This unique development opportunity lies in the heart of San Pedro del Pinatar. The property offers significant potential for renovation or redevelopment into a spacious family home, multi-unit residence, or investment project. The existing building has a solid structure, including a large private rooftop terrace with open views over the surrounding area. This space offers excellent potential to create a chill-out zone or rooftop garden. Thanks to its central location, all amenities are within walking distance: shops, restaurants, schools, and the beaches of the Mar Menor are just a few minutes' drive away. Whether you're an investor or looking to build a custom home from the ground up, this project presents a rare opportunity in one of the Costa Cálida's increasingly popular areas.
