Luxury apartment with two terraces

Are you looking for a holiday spot in Spain where you can enjoy outdoor living all day long? This modern apartment in San Pedro del Pinatar offers two spacious terraces: one at the front and one at the back. This means you can always choose between sun or shade, morning calm or evening coziness. It's the perfect place to enjoy breakfast in the sun or relax with a drink after a day at the beach.

Surrounded by nature, sea, and relaxation

San Pedro del Pinatar is known for its wonderful climate and beautiful natural areas. From the apartment, you can walk straight to the salt lakes and mud baths of Lo Pagán, a unique spot appreciated by many visitors. The beach is also within walking distance. Whether you enjoy strolling along the promenade, birdwatching in nature, or simply sitting with your feet in the sand — everything is close by.

Comfortable and spacious, perfect for four people

The apartment is suitable for four people and offers two spacious bedrooms with comfortable beds. There are two modern bathrooms, ideal when travelling with family or friends. The living room is bright and cozy, connected to a fully equipped kitchen, giving you the option to cook yourself — though restaurants and cafés are just a short walk away.

Modern amenities for a worry-free holiday

Everything is in place to make your stay as relaxed as possible: air conditioning, a spacious dining area, plenty of natural light, and the lovely indoor-outdoor feeling thanks to the terraces on both sides. You'll always find a pleasant spot to sit throughout the day.

Communal pool with sun loungers

The pool is located right by the apartment and is perfect for a refreshing dip. Sun loungers and parasols are available, so you won't need to bring anything. Whether you want to swim actively or simply cool off, it's a peaceful place away from the hustle of a big complex.

Peace, privacy, and everything close by

Despite the quiet location, you're just minutes away from local shops, supermarkets, cozy bars, and restaurants. Parking is easy at the complex. Everything is in place for a hassle-free holiday.

Wintering

Our wintering period starts at 28 days. If you rent for less than four weeks, the weekly rate applies. The rental period can start on any day of the month and does not need to align with a calendar month.

Key handover

Key handover is possible on any day of the week. You can enter your holiday home from 4:00 pm on the first day. On departure day, the property is normally vacated before 11:00 am. Other times are possible in consultation with the property manager. Upon arrival and during your stay, the managers are available for various services to make your holiday as easy as possible. They welcome you personally, hand over the keys, and give useful tips about the area. They are also your point of contact during your stay.
