

apartamento de 2 dormitorios en Estepona Ref: RDN7739

This part of the Costa del Sol is also known as the Costa del Golf because it has the highest concentration of golf courses in the whole of Europe. Estepona is the ideal place for outdoor sports because of its 320 sunny days a year and limited rainfall. The Costa del Golf offers designer golf

Estepona has a wide variety of beautiful beaches and the nearest beach is within walking distance of less than 500 metres from the complex. Although there is a beach available right in front of your flat or penthouse, there are many other beautiful beaches in the area. For example, Playa de la Rada in Estepona, easily accessible via the "Senda Litoral", where you can take a nice walk along the promenade.

courses that are the work of famous architects such as Robert Trent Jones.
